

INDEX

This booklet consist of the following Chapters:

- ❖ Pre-historic India
- ❖ Indus Valley Civilization
- ❖ Vedic Age
- ❖ Jainism and Buddhism
- ❖ The Mahajanapadas
- ❖ Mauryan Empire
- ❖ Post-mauryan India
- ❖ Sangam Age
- ❖ Formation of New States in the Peninsula
- ❖ The Gupta Period
- ❖ Harsha Vardhana (606-647 a.d.)
- ❖ Glossary

INDEX

This booklet consist of the following Chapters:

- ❖ The Living World Discipline
- ❖ Cell & Genetics
- ❖ Virus
- ❖ Bacteria
- ❖ Algae
- ❖ Fungi
- ❖ Diet & Nutrition
- ❖ Digestive System
- ❖ Skeletal System
- ❖ Muscular System
- ❖ Respiratory System
- ❖ Transport System
- ❖ Nervous System
- ❖ Sensory Organs

❖ **Excretion & Osmoregulation**

❖ **Endocrine System**

❖ **Reproductive System**

❖ **Human Diseases**

INDEX

This booklet consist of the following Chapters:

Ecology and Ecosystem

- ❖ Ecosystem and its Components
- ❖ Ecosystem Functions
- ❖ Ecological Pyramids
- ❖ Ecology and its Principles
- ❖ Ecological Succession
- ❖ Adaptation
- ❖ Interaction between Species
- ❖ Ecotones
- ❖ Energy Flow
- ❖ Terrestrial Ecosystem
- ❖ Aquatic Ecosystem
- ❖ Population Ecology

Biogeochemical Cycles

- ❖ Carbon Cycle
- ❖ Oxygen Cycle
- ❖ Phosphorus Cycle
- ❖ Nitrogen Cycle
- ❖ Sulphur Cycle
- ❖ Hydrological Cycle

Biodiversity

- ❖ Biodiversity
- ❖ Functions of Biodiversity

- ❖ Threats to Biodiversity
- ❖ Biodiversity Conservation
- ❖ Types of Species
- ❖ Extinction of Species
- ❖ IUCN Red List
- ❖ International Conventions on Biodiversity Conservation
- ❖ Estuaries
- ❖ Mangroves
- ❖ Coral Reefs

Natural Resource Degradation

- ❖ Land Degradation
- ❖ Soil Erosion
- ❖ Deforestation
- ❖ Surface and Ground Water Degradation
- ❖ Solid Waste Management
- ❖ E-Waste Management
- ❖ Treatments Methods for Waste Management

Climate Change

- ❖ Basics of Climate Change
- ❖ Conventions Related to Climate Change Management

Environmental Governance

- ❖ Environmental Institutional Bodies
- ❖ Environmental Legislations
- ❖ Steps for Environmental Conservation

INDEX

This booklet consist of the following Chapters:

- ❖ Introduction to Governing Institutions
- ❖ Institutions to Facilitate Cooperative Federalism
- ❖ Constitutional Bodies
- ❖ Institutions Related to Social Welfare
- ❖ Regulatory Bodies
- ❖ Institutions for Maintaining Transparency
- ❖ Institutions Related to Health
- ❖ National Institutions Related to Education
- ❖ Civil Services Reform
- ❖ Police Reforms in India
- ❖ Citizen Charters
- ❖ E-governance
- ❖ Right to Information
- ❖ Central Secretariat

INDEX

This booklet consist of the following Chapters:

- ❖ Dance
- ❖ Music
- ❖ Musical Instruments
- ❖ Puppetry
- ❖ Drama/Theatre
- ❖ Architecture
- ❖ Indian Paintings
- ❖ Buddhism and Jainism
- ❖ Major Indian Religions
- ❖ Martial Arts of India
- ❖ Classical Languages
- ❖ Printing, Weaving and Embroidery Styles in India

INDEX

This booklet consist of the following Chapters:

- ❖ **Concept Related to National Income**
- ❖ **Banking**
- ❖ **Monetary Policy**
- ❖ **Inflation**
- ❖ **Fiscal Policy**
- ❖ **Financial Markets**
- ❖ **Balance of Payment**
- ❖ **Industry**
- ❖ **Agriculture**
- ❖ **Planning**
- ❖ **Poverty and Unemployment**
- ❖ **Human Development**

INDEX

This booklet consist of the following Chapters:

- ❖ Major Dynasties of North India (750-1200)
- ❖ South Indian Kingdoms
- ❖ Early Muslim Invasions
- ❖ The Delhi Sultanate (1200-1400 ad)
- ❖ The Delhi Sultanat (Economic, Social & Cultural Life)
- ❖ Vijayanagar and Bahmani Kingdoms
- ❖ Other Regional States
- ❖ Mughal (Babur & Humayun) and Sur Dynasty
- ❖ Mughal Dynasty (Akbar Onwards)
- ❖ Mughal Administration, Society and Culture
- ❖ The Maratha
- ❖ Religious Development in Medieval India
- ❖ Advent of Europeans

INDEX

This booklet consist of the following Chapters:

- ❖ Indian States and Society in 18th Century
- ❖ Advent and Growth of East India Company
- ❖ British Expansion in India
- ❖ Second Phase of British Expansion in India
- ❖ Administration Before 1857
- ❖ Economic Policies of the Britishers
- ❖ Peasant and Tribal Movements
- ❖ The Revolt of 1857
- ❖ Introduction of English Education
- ❖ Press Under British Rule
- ❖ Socio-religious Reform Movement
- ❖ Evolution and Growth of Indian Nationalism
- ❖ Indian National Congress
- ❖ Indian National Movement (1905-18)
- ❖ Indian National Movement (1918-29)
- ❖ Revolutionary Nationalism
- ❖ Indian National Movement (1930-47)
- ❖ Governor Generals During British India
- ❖ Constitutional Development in India

INDEX

This booklet consist of the following Chapters:

- ❖ Making of the Indian Constitution
- ❖ Sources of Indian Constitution
- ❖ Salient Features of the Indian Constitution
- ❖ Parliamentary form of Government
- ❖ Federalism in India
- ❖ The Preamble
- ❖ Territory of the Union and Formation of States
- ❖ Citizenship
- ❖ Fundamental Rights
- ❖ Directive Principles of State Policy
- ❖ Fundamental Duties

INDEX

This booklet consist of the following topics:

- ❖ The Union Executive
- ❖ The Union Legislature
- ❖ The State Executive
- ❖ The State Legislature
- ❖ Central State Relations
- ❖ Union Territories
- ❖ Special status of Jammu & Kashmir

INDEX

This booklet consist of the following topics:

- ❖ The Judiciary
- ❖ Administrative Tribunal
- ❖ Panchayats and the Municipalities
- ❖ Scheduled & Tribal Areas
- ❖ Services Under the Union and the States
- ❖ Elections
- ❖ Special Provisions Relating to Certain Classes
- ❖ Official Language
- ❖ Emergency Provisions Under the Indian constitution
- ❖ Provisions related to the Amendment

INDEX

This booklet consist of the following Chapters:

Geomorphology

- ❖ **Origin and Evolution of the Earth's Crust**
- ❖ **Physical conditions of the Earth's interior**
- ❖ **Factors controlling landform development**
- ❖ **Basic geomorphological concepts**
- ❖ **Geosyncline and Mountain Building**
- ❖ **Vulcanicity**
- ❖ **Earthquakes**
- ❖ **Geomorphic process**
- ❖ **Landforms and their evolution**
- ❖ **Applied Geomorphology**

Oceanography

- ❖ **Submarine Relief**
- ❖ **Temperature and Salinity of Oceans**
- ❖ **Ocean Deposits**

- ❖ **Marine resources**
- ❖ **Ocean Currents**
- ❖ **Ocean Tides**
- ❖ **Coral Reefs**
- ❖ **Sea level Changes**
- ❖ **Tsunami**

Climatology

- ❖ **Atmosphere**
- ❖ **Inversion of Temperature**
- ❖ **Isanomalous temperature**
- ❖ **Insolation and Temperature**
- ❖ **Laws of Atmospheric Circulation**
- ❖ **The Tricellular Meridional Circulation**
- ❖ **Planetary Winds**
- ❖ **Local Winds**
- ❖ **Monsoons**
- ❖ **Jet Stream**
- ❖ **Air Masses**
- ❖ **Fronts**
- ❖ **Temperate Cyclone**
- ❖ **Tropical Cyclone**
- ❖ **Types and Distribution of precipitation**

- ❖ **Climatic Zones of the World**
- ❖ **Climate Change and Global warming**
- Bio-Geography**
- ❖ **Soil Characteristics**
- ❖ **Factors responsible for soil formation**
- ❖ **Stages of soil Formation**
- ❖ **Soil Forming Processes**
- ❖ **Soil Profiles and Horizons**
- ❖ **Soil Classification**
- ❖ **Soil Erosion and Conservation**
- ❖ **Major Biomes of the world**
- ❖ **Social Forestry**
- ❖ **Agro Forestry**

INDEX

This booklet consist of the following Chapters:

- ❖ Policies Related to Science and Technology
- ❖ Science and Technology as a Aource of Human Resource Development
- ❖ Space Organizations in India
- ❖ Terminologies Related to the Space Science
- ❖ Types of Satellites
- ❖ India Satellite Programmes
- ❖ Space: Recent and Future Missions
- ❖ Mobile Generations and Technology
- ❖ Telecommunication Technology
- ❖ Computer Terminology
- ❖ Supercomputer and its Applications
- ❖ Initiatives in IT Sector
- ❖ Nanotechnology and its Applications
- ❖ Nanotechnology Initiatives
- ❖ Robotics Terminologies
- ❖ Robotics Applications
- ❖ Missile System
- ❖ Classification of Missiles
- ❖ Integrated Guided Missile Development Programme
- ❖ UAVS (Unmanned Aerial Vehicles)

- ❖ **Submarines**
- ❖ **Latest & International Collaboration**
- ❖ **Biotechnology Terminologies**
- ❖ **Applications of Biotechnology**
- ❖ **Biotechnology Projects**
- ❖ **Nuclear Technology**
- ❖ **Nuclear Programme in India**
- ❖ **Institutions**
- ❖ **Radiation Technologies and Applications**
- ❖ **Diseases**
- ❖ **Vaccine and its Types**
- ❖ **Recent Initiatives**

INDEX

This booklet consist of the following Chapters:

- ❖ Indian geography
- ❖ Physiography
- ❖ The himalayan river systems
- ❖ Climate
- ❖ Natural vegetation and wildlife
- ❖ Soils
- ❖ Natural hazards and disasters
- ❖ Environment
- ❖ Demography of himalayan
- ❖ Human development in himalayan region
- ❖ Population composition
- ❖ Migration and settlements in himalayan region

- ❖ **Planning and development of backward are was in himalayan region**
- ❖ **The economy of the himalaya region**
- ❖ **Multipurpose projects**
- ❖ **Biotic resources**
- ❖ **Land utilization and agriculture**
- ❖ **Mineral resources in himalayan region**
- ❖ **Energy resources in himalayas**
- ❖ **Manufacturing industries**
- ❖ **Transport and communication**
- ❖ **Tourism**

INDEX

This booklet consist of the following Chapters:

- ❖ The great plain of north india
- ❖ Drainage system of the great northern plains
- ❖ Climate
- ❖ Soils
- ❖ Natural vegetation and wild life
- ❖ Natural hazard and disasters
- ❖ Environment
- ❖ Demography of the great northern plains
- ❖ Population composition
- ❖ Migration and settlements
- ❖ Regional development and planning
- ❖ Human development

- ❖ **The economy of the great northern plains water resources and irrigation**
- ❖ **Multipurpose project**
- ❖ **Biotic resources**
- ❖ **Land utilization and agriculture**
- ❖ **Crop combination of northern plains**
- ❖ **Green revolution**
- ❖ **Mineral resources**
- ❖ **Energy resources**
- ❖ **Manufacturing industries**
- ❖ **Transport and communication**
- ❖ **Tourism**

INDEX

This booklet consist of the following Chapters:

- ❖ The peninsular india, coastal plains & island
- ❖ Drainage system of kninsular india
- ❖ Climate of peninsular india
- ❖ Natural vegetation and wildlife
- ❖ Soils
- ❖ Natural hazards and disasters.
- ❖ Environment
- ❖ Demography of peninsular india
- ❖ Population composition
- ❖ Migration and settlements in peninsular india
- ❖ Human development in peninsular india
- ❖ The economy of peninsular india water resources and irrigation

- ❖ **Multipurpose projects**
- ❖ **Biotic and marine resources**
- ❖ **Land utilization and agriculture**
- ❖ **Major crops**
- ❖ **Mineral resources**
- ❖ **Energy resources**
- ❖ **Manufacturing industries**
- ❖ **Transport and communication**
